

QuickConnect™

Product Number: QC-2

Stemming from the popularity of the quick connecting feature on Shakespeare's high-end Phase III® marine antennas, the new QuickConnect product line brings you the ease of connecting and disconnecting your marine antenna in a series of entry-level antennas.

Features

- Quick Connect
- High Quality Connection
- Hanging dust protection / water protection cap
- Centrepin PL-259 connector with mount
- Reduced Length Whip Antenna
- Rigid Whip

Benefits

- Unscrew or attach the antenna easily
- No noise due to vibrations
- Protection when antenna disconnected
- Easy Solder Free installation
- Lower Profile for A-Frame and RIB installs
- Minimise whip oscillations to avoid snags

The ideal antenna for all Quick Connect installs—from smaller RIBs to larger sail and power vessels
